There are many reasons to choose one of our bathrooms.

...here are just a few of them.

1 Colour Co-ordinated Cabinets

Our bathrooms have cabinet finishes that co-ordinate with all of the doors and drawers. They look as good on the inside as they do on the outside, which is a good sign of a quality manufacturer.

2 Glue and dowel construction

A rigid cabinet is a must in a top quality bathroom. Our cabinets are made using glue and dowel construction and each one is made to order meaning only the holes that are required are drilled.

3 Cabinet Benefits

- Rigid 18mm MFC colour co-ordinated cabinets to complement door finishes
- Solid 8mm cabinet backs in a white finish
- All exposed edges are finished in ABS edging for added protection
- All cabinets are made to order and hand finished in the UK
- Cabinets are covered by a 5 year manufacturers guarantee

4 Plinth or Wall Hung Option

Our cabinets are supplied with 200mm legs (loose) and wall hanging brackets fitted as standard. This allows a choice for either fitting with a plinth or wall hanging.

We specialise in quality bathrooms for less. All our furniture is easy to like, easy to buy and easy to fit and once you have one we know you will love it!

Our cabinets are of traditional 'glue and dowel' construction and are produced using the latest computer controlled machinery throughout the manufacturing process. We are so confident in our product, that it comes with a reassuring 5 year guarantee on all of our cabinets.

We reserve the right to change products at any time. Please note: Due to photographic and printing processes, the colours shown here may not be a true representation of the product. Please see samples for the actual colours.

5 Internal Features

We use the highest quality internal accessories, in addition all hinges and drawer runners have built in soft close as standard. This ensures soft and silent closing on all bathroom doors and drawers everytime.

6 Ceramicware

We offer an attractive range of basins in either Mineral Cast or Ceramic. With a choice of over 30 basins you will be sure to find one perfect for your bathroom.

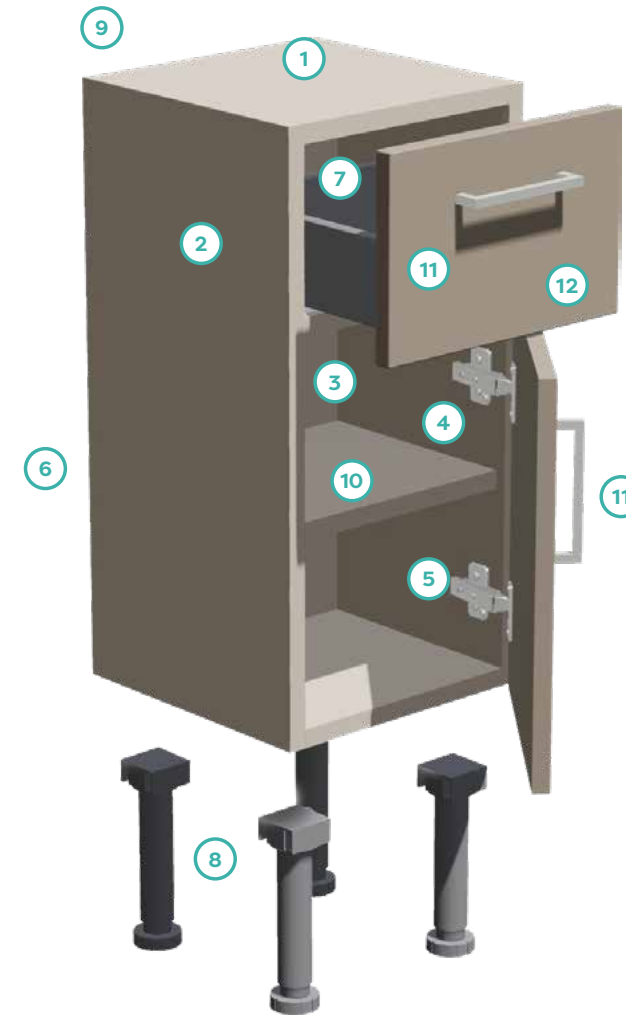

7 Range of lighting

We offer a wide range of lighting from LED mirrors to drawers and cabinet lighting which adds the finishing touch to your bathroom.

8 Planning

Available in 11 cabinet widths and 3 standard depths. Planning your bathroom couldn't be easier with one of the most comprehensive selection of cabinet sizes available.

Cabinet benefits

1. Traditional methods of glue and dowel construction supplied factory assembled for quick and easy installation
2. Rigid 18mm MFC colour co-ordinated cabinets finishes to suit all door and drawer front finishes
3. Solid 8mm cabinet backs in a white finish
4. All metal 110° three way fully adjustable clip on hinges with built in soft close offering easy adjustment and removal if required.
5. Cabinets are handed to avoid unnecessary drilling holes
6. All exposed cabinet edges are finished in ABS edging for additional protection
7. Stylish anthracite finish slim metal drawer boxes with soft close full extension runners and solid 16mm co-ordinated bases for strength and stability. Individual drawer box lighting is available as an option.
8. All plinth style cabinets are supplied inclusive with 200mm adjustable legs as standard and wall brackets for wall mounting if required.
9. Wall cabinets fitted with fully adjustable concealed hanging brackets for a neat finish
10. All wall cabinets are supplied with clear glass middle shelves as standard. Base cabinets are subject to a surcharge for glass option middle shelves.
11. Inclusive Handles or 'Push to Open' doors are included in the cabinet price.
12. 'Push to Open drawers' and 'Premium' handles are subject to a surcharge.
13. When ordering cabinets with combined semi-recessed basins the fascias are pre-cut and sealed to suit the basin.
14. Laminate and Solid surface worktops are cut to length for scribing and finishing on site.
15. All cabinets are made to order, assembled and hand finished in the UK.
16. Cabinets are covered by a five year manufacturers guarantee

Please note: Soft close systems are removed from doors and drawers when the 'HANDLELESS' push to open option is ordered
